

CANTINE PALESI

SALENTO IGP

ARTII

2023

Artii is a prestigious rosé Primitivo born in Salento from an exceptional grape variety to honor the ancient origins of its land: it is a wine that takes its name from the Madonna Odegitria, who according to Byzantine tradition guided travelers in difficulty by showing them the right path. It is a wine that inspires confidence and trust in one's abilities even when it seems to have lost the destination in front of obstacles.
