

CANTINE PALESI

SUSUMANIELLO SALENTO IGP

IL DECIMO

2023

Il Decimo is a Salento red wine that represents the triumph of dreamers: in its intense ruby color, one can read all the passion of those who, finally, The Decimo, had the courage to carry forward what they believed in, coming first. It's a wine that celebrates confidence in one's abilities, the will to leave a strong mark, and to transmit that positive energy that accompanied its protagonist along the long journey towards the goal: a "passing of the torch" in the evolution of the winery that reminds us of how wine carries values, memories, and feelings like no other food.
